The boat adrift meanders aimlessly, directed by external forces, unable to navigate. Similarly, our lives too often drift off course in the currents of worry, stress and excessive obligations. Stop drifting. When we anchor to God, silently and fully present, we allow ourselves the opportunity to hear His word, setting a course for the life He intended us to live.

Join other women of faith to learn how to be still amidst the chaos of life. Hear His voice. Feel the comfort of His grace. Discern His will.

Robin Todd, M.S. is the owner of Mindful Momentum and a parishioner of Presentation Parish. She converted to Catholicism in 2000 and grows deeper in love with her faith every year. Robin has no doubt that she's been left on this beautiful earth to share her personal story of divine intervention, as well as the importance of living life mindfully.

Complete the form below and return, along with the registration fee, after Masses October 7-8 or to the Parish Office by Monday, October 16.
